

WEST END BOWLS CLUB THE DORSET BOWLS RESORT 4-8 March 2024

TIME TO BOOK FOR NEXT YEAR.....

The Dorset Bowls Resort is part of the Dorset Golf & Country Club at Bere Regis. There is a three rink indoor green, a small hotel block and a comfortable clubhouse. The resort is in a rural location with a number of tourist attractions within easy driving distance. Check it out at www.dorsetbowlsresort.com.

Accommodation

Hotel rooms and shared Scandinavian lodge homes are available.

The hotel rooms are adjacent to and above the bowls green, the clubhouse and dining room is a short walk away. All have en-suite facilities, television and tea & coffee making facilities.

The lodges are in the grounds; 200-300 yards from the bowls green and clubhouse. They are spacious and furnished to a high standard. Each lodge has two or three self contained bedrooms with en-suite facilities. All have a shared sitting area with wood burning stove, kitchen, sauna and veranda.

Half Board

Starts with dinner on Monday, ends with breakfast on Friday. Lunches & snacks can be bought in the clubhouse until 5.00 pm

Bowling

I submit the teams and everything else is organised by the resort. Details of the format may vary according to numbers but is basically a roll up on Monday afternoon followed by a rinks competition on Tuesday and Wednesday. There are usually up to 48 bowlers in the competition and I do not expect to run out of bowling places. There will be no organised bowling on Thursday but the rink may be available for roll ups.

Cost

£302.00 per person. (No single supplement - £20 discount for non-bowlers).

Accommodation will be booked on a "first come, first served" basis and guests are welcome. Although every lodge has a ground floor bedroom only three are bungalows with all the facilities on the ground floor. These are always in high demand so; if you want to book a bungalow, please let me know who you will be sharing with.

Please let me know ASAP if you would like to come. When I receive your deposit (£40 each) I can confirm your booking and accommodation choice. (Cheques payable to P TURNER and post-dated 31 May 2023 - I will be happy to accept bank transfers but please be aware your money may be sitting in my account for some time).

Entertainment

The resort organises short, low key, relaxed family type entertainment in the evenings; e.g. Bingo, quizzes, possibly a singer. Any money raised will be donated to charity or used to support club funds. On either Wednesday or Thursday evening there will be a prize giving session.

Insurance

There is no group insurance policy. Individuals are responsible for arranging their own insurance and may wish to take cover from 1 June 2023 which is when I will confirm the booking and pay the deposit to the resort.
