

Bridge 2022

This is just to let you know that we are back playing bridge in the clubhouse on Tuesday mornings, which started on 5 October 2021. The bridge club generates a useful income for the club so is a very worthwhile activity in terms of helping to keep the subs as low as possible.

Happily, the group is oversubscribed and we have a waiting list

The group will be coordinated, as previously, by Brian and Jan Bonny and by myself.

We have firm social distancing procedures in place and will be using all the floor space so ask, that if you have to come to the club on Tuesday mornings, you are as quiet as possible.

There will be quite a lot of work involved in getting out, and putting away, the bridge tables and equipment so it will help enormously if you can revert to the pre pandemic practice of putting all the tables away at the end of other activities in the clubhouse. We will be using the chairs so it won't pose a problem for us if they are left out. We will, of course, put them away after bridge so the room is ready for the short mat players.

Many thanks for your consideration.

With best wishes

Pat Turner
