West End v Chertsey Away 27 May Won 76 - 62

It was a glorious afternoon under a beautiful blue sky, when Chertsey played hosts to West End.

At half time West End were behind on three rinks and ahead on only one, however buoyed by tea and ample supplies of delicious border biscuits and a team talk from the skip of the day, socks were pulled up and West End stormed to victory. Peter Fry broke his duck for the season and his team came from 10 - 3 down to win 25 - 13 (our best rink). Other notable performances from Bente who ditched the jack twice, Rob Strange successful on debut and Pat Fail who partnered Jan Fernandez and Peter Fry in victory.

The final result was a 76 - 62 victory. Well done to all, a great team effort and everyone enjoyed Chertsey hospitality after and we even took the raffle 4 - 0, hopefully Bernard shared his bottle of red with Colleen and Ivor's After Eights arrived safely home!
