

## Men's Heathfield Cup

On the 1 August West End played against Chertsey 'A' in the second round of the Men's Heathfield Cup. This involved one rink bowling at home and the other rink bowling Away. Our Home rink won 19 shots to Chertsey's 14 shots. Unfortunately our Away rink lost 12 shots to Chertsey's 18 shots. So West End lost overall by one shot, with West End scoring 31 shots against Chertsey's 32 shots. What was upsetting was that with no knowledge of the final scores, the Competition's extra end was played at Chertsey and was won easily by West End; however, this was to no avail as the extra end was not needed.
