

## **West End Bowls Club - Bridge Update (March 2023)**

West End Ruff Diamonds re-convened in October 2021. At that time numbers were limited due to the firm social distancing procedures put in place during the Covid epidemic. Happily, these have now been relaxed and we are able to welcome new members.

The group continues to be co-ordinated by Brian and Jan Bonny and by Pat Turner. We meet on Tuesday mornings, arriving around 9.15 so as to have the equipment set up and ready to start play at 9.30 sharp. We finish between 12.00 and 12.15. We play duplicate bridge for most sessions so it is important that members arrive and leave on time.

Brian is a qualified bridge teacher and continues to co-ordinate the play. Since we have started playing duplicate bridge, he no longer offers regular lessons but he does share his observations that help everyone improve their play.

We have a lively WhatsApp group which helps members sort out their partnership arrangements in advance.

The group is suitable for players who already know how to play but enjoy a relaxed competitive game and are keen to improve.

Anyone interested in joining should contact Pat Tuner at [webcmembership@gmail.com](mailto:webcmembership@gmail.com) or telephone Pat (01276 62600) or Brian (01276 514099).
